Day 1 Schedule (Thursday, May 6)

All events held on Zoom. All times are listed in CDT (Chicago time). Session and presentation titles are clickable and lead to the appropriate Zoom Room.

	Left column/Plenaries: Zoom Room A - Thursday	Right column: Zoom Room B - Thursday	
10:00 AM	OPENING	REMARKS	
10:00-11:00	Invited Presenter: Sandhya Su	undaresan (University of Göttingen)	
	To Be Announced		
	Special Session	General Session	
	Syntax of South Asian Languages	General Session	
11:15-11:45	Troy Messick & Sreekar Raghotham	Jun Lyu (University of Southern Califor-	
	(Rutgers University): Morphosyntax values	nia), Yaning Yan (Renmin University of	
	itself	China) & Elsi Kaiser (University of South-	
		ern California): Disentangling locality and re-	
11.45 АМ	Jahani Cuba (Hairanita of Dalli) Cara	cency in the processing of Chinese reflexives	
11:45 AM- 12:15 PM	Ishani Guha (University of Delhi), Swarnendu Moitra (Jadavpur University) &	Sean Foley (UNC-Chapel Hill): The acoustics of apical vowels in two endangered Ngwi	
12.10 1 W	Paul Marty (University College London):	languages	
	Inverse Scope in scrambling languages: the	languages	
	case of Bangla		
12:15-12:45	Samir Alam & Elango Kumaran:	Andrija Petrovic (Stony Brook Univer-	
	(University of Southern California): Focus	sity): Vowel fronting in Serbian noun inflec-	
	and multiple agreement in Maithili	tion	
12:45-1:30	LUI	NCH
